

IPR Agreement
on the use of the C-E.N.T.E.R. materials by third parties
after the completion of the
“C-E.N.T.E.R. - Competence, cooperation and communication in the
dissemination and exploitation of EU Projects” project

(505336-LLP-1-2009-1-AT-KA4- KA4MP)

OBJECT

This agreement aims at regulating the use of the products developed in the course of the C-E.N.T.E.R. project after the official project duration and eligibility period from 01.01.2010 – 31.12.2012 by third parties not represented within the project partnership.

USAGE BY THIRD PARTIES

The reproduction, distribution and public utilization for educational, teaching and training processes of any of the C-E.N.T.E.R. materials (may it be commercial or non commercial), or parts of them, by third parties will be possible after the consultation and approval (written authorization) of any of the project partners.

Each partner will be the contact and approval (authorization) point at national level for any request or further use/exploitation of the C-E.N.T.E.R. products and will authorize any use by third parties in his/her country. E.N.T.E.R. (as the promoter) and all project partners shall be informed about any such authorization given.

For any requests coming from other countries than represented in the partnership, the co-ordinator (E.N.T.E.R.) will be the contact person giving approval and authorization for use.

DUTIES ON USAGE OF THE MATERIALS

- a) Always make full reference to the source of the materials (name of the project and partners)
- b) Always make full reference that the C-E.N.T.E.R. project has been funded under the Lifelong Learning Programme – Key Activity 4 Dissemination grant
- c) Before implementing any activities please communicate your plans to the coordinator or partner in your home country for promotion reasons and to avoid similar activities in other countries at the same time.

This agreement was signed by the authorised representatives of each of the project partners and prevails from the 1st of January 2013.
